主題と概要			
The purpose of this course is to use English on the international scene. Students level of English will be enhanced through studying global issues and other themes.			
到達目標			
We will be learning the keywords and expressions for each theme in order to prepare adequately for each presentation.			
提出課題			
Assignments will be in the form of presentations, which should be written out in full and handed in after each presentation.			
課題（レポートや小テスト等）に対するフィードバック			
Feedback after speeches, presentations, skits and other assignments including any quizzes will be given as needed during class. If students have any questions regarding any assignments, time will be given during class or even after class when necessary.			
評価の基準			
Students will be evaluated on their presentations and written work handed in, as well as on the final test.			
履修にあたっての注意・助言他			
Students are advised to attend class every week and to actively participate in course work.

準備学修（予習・復習等）の具体的な内容及びそれに必要な時間		
Students should spend at least 4 hours a week previewing and reviewing each topic and the unit related to that topic in the textbook. Preparation time will also be needed for such activities as presentations, speeches and skits.		
双方向授業の実施及びICTの活用に関する記述		
After studying a part of a unit in the textbook, students will then make skits, presentations or speeches as they relate to the unit being studied. In the case a speech is given, there will also be time for a question-and-answer session at the end.		
実務経験の有無及び活用		
備考		
As attendance is very important, students are advised to avoid missing any classes. If you have to be absent, please make sure that you know what has to be studied.
